**THIS IS AL-ANON**

Each Al-Anon Family Group has but one purpose: to help families and friends of alcoholics.

If you are concerned with someone else's drinking, the Al-Anon program can help you.

Al-Anon was founded by families of alcoholics who had found sobriety in Alcoholics Anonymous. Today, many Al-Anon/Alateen members, regardless of age or

relationship to the alcoholic, are finding serenity despite a friend or family member with an active drinking problem.

From the beginning, we learn that we are *powerless* to control an alcoholic's drinking. It is a fact that must be accepted before we can progress with the program. Until we stop trying to control, we will continue to live with the frustration that made us seek Al-Anon. Once we learn to let go of the problem, the loving concern and help of the other members will provide strong support to help us understand what the Al-Anon program can do for us.

## AL-ANON MEETINGS

To Accept the Things I Cannot Change
